

Campership Application

A Campership, like a scholarship, helps to pay (partially or fully) a camper's way to Rhodes Grove. We don't want anyone to be left out of a camp experience due to finances. Rhodes Grove has a fund set up to help if parents are unable to pay camp fees in full. Please feel free to apply for this financial aid. Several people have generously donated funds to help those who don't have quite enough money to come.

Please complete the following application and send it to the office no later than the first week of May. It is extremely important that you apply on time if you hope to get the help you need. You will be notified with the results of your application once it is reviewed. On the camp registration form, please indicate that you have applied for Campership. Feel free to call the office at (717) 375-4162 if you have any questions.
